Premier Rae praises local industry, extends jobsOntario

By Frank Anselbach

Ontario Premier Bob Rae said that Ontario's economy is growing rapidly thanks in part to the job and labour programs, policies and initiatives that have been put in place.

After visiting an automotive plant, he was touring the state park program in 1994. Rae made a campaign-style pit stop at Conestoga College for a speech about the province's future.

He praised Ontario for its policy of hiring many new employees through part-time and short-term contracts.

"There's something in the confidence of what's happening in the economy that is the product today," he said.

In fact, he said, the province is one of the fastest growing in the world. He said that the province is one of the fastest growing in the world.

Broadcasting alumni newsletter promotes Conestoga graduates

By Mike Matthews

After a five-year gap, the local newspaper and television program that showcased the graduates of Conestoga's broadcasting program is back. The new program newsletter, "The Conestoga Broadcasting Alumni Newsletter," is a quarterly publication that will keep everyone up to date on the graduates of the program.

The newsletter will be a quarterly publication that will keep everyone up to date on the graduates of the program. The newsletter will be a quarterly publication that will keep everyone up to date on the graduates of the program.

Women's soccer team wins opener

By Winston Smith

The Coeur d'Alene Cougars women's soccer team opened its season with a 2-0 win over the St. Clair Bulldogs on Sept. 17 at the Cougars' home field.

But Victor Alvarez, the Cougars' captain, says he had the game won when they got a goal.

"This game was to send a message and make other teams in the league not want to challenge us," Alvarez said.

The Cougars were on the attack and Alvarez was really taking the ball into the goal.

The team worked together for the first time. Alvarez says the team was working as a team.

Many times it seemed like the Cougars had more players on the field than allowed. But in the beginning, Alvarez said.

The St. Clair players were overwhelmed by this and when they were about to win they were surprised in winning.

Cougars opened the scoring early with the first ball when Victor Alvarez got a shot back past St. Clair goalie Kevin Duggan.

The Cougars continued to lead and the second goal was scored from Victor Alvarez.

"The team had a victory to go on."

Women's softball team shut out by Durham in season opener

By Michelle Hill

The Coeur d'Alene Cougars women's softball team didn't get the win in their first game of the season Sept. 17.

In fact, they lost a 1-0 shutout to the Durham Bulldogs.

The Cougars scored the first run in the bottom of the first inning when a complete game was pitched by Durham's pitcher.

Cougars' pitcher Steve Day was shut out by Durham's pitcher.

The Cougars only scored in the first inning when a complete game was pitched by Durham's pitcher.

Durham took the lead in the first inning by scoring three runs.

They added two more runs in the first inning by scoring three runs.

The Cougars' first game will be played at the Cougars' home field on Sept. 24.
